

The Powys Approach to consolidating and evaluating theory into practice...

2 Day Foundation training...

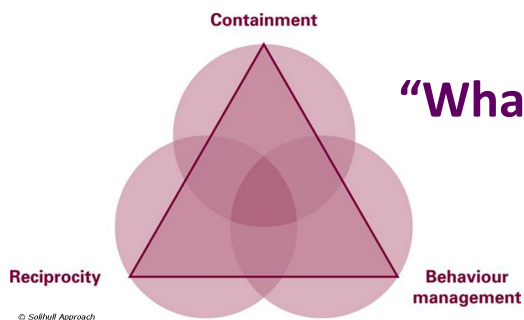

...Follow up day with:

Attachment Seminar - half-day and
A half-day of evaluation, giving practitioners
the time and space to consider:

The Solihull Approach is part of a strategic evidence-based toolkit that we utilise to support families within Powys

“How has the Solihull Approach changed your practice?”

“What do you do now that you wouldn't have done before your training?”

“How has your thinking changed since your training?”

“Have you seen the benefits of your changed approach with the families you work with?”
